The suspect allegedly lured the friend, Benjamin Addy, to the house of the spiritualist to be killed at Dansoman when the police pounced on him.

Narrating the story to DAILY GUIDE, ASP Christopher Owusu, the Dansoman crime officer, said Lamprey was an unemployed man living at Kasoa in the Central Region.

According to the police, the suspect sighted posters with the phone number of a spiritualist and contacted the person, asking for spiritual help to "get rich quick."

On Thursday, October 11, 2012, the supposed Mallam, who is actually a proprietress of a school, received a telephone call from Joseph that he wanted her to assist him to "get rich quick."

The woman, who is not the spiritualist, initially declined and hanged up on the suspect.

The following day, the suspect called the spiritualist again insisting that he saw the posters advertising the spiritualist's number in town, adding that he was willing to offer her anything including a human being to enable her to assist him to get money.

The woman, who is the complainant, feigned interest and consequently asked the suspect who he was willing to use for the said rituals.

On Wednesday, October 17, 2012, the suspect took a photograph of his former girlfriend who he named as Deborah to be used but the complainant declined and insisted that he bring the girl in person.

The suspect complained that it was difficult to bring the said Deborah for the rituals since she was based in Kumasi but he promised to bring someone else.

On Friday, October 19, 2012, the suspect lured his bosom friend, Benjamin, to the complainant's place to be used for the rituals.

The police was immediately informed and the suspect was arrested.

Lamprey admitted to the offence in his caution statement. He would be put before court for attempted murder.

If this boy had come to see me, i would have released Aseidu Nketia and other evil dwarfs in ndc for him to perform his rituals in other to get his riches, but it is not too late. However, the punishment due this boy, the same punishment should be given to ndc evil old dwarfs bcos they are all criminals.

Name: @ SAM THE ANALYST - FROM GHANAIAN FEMINIST

From a Ghanaian feminist ; Spare me your trash. If you know the basis of TORT LAW AND CRIMINAL LAW, you wouldn't be rubbish here. All the prosecutor needs is the evidence to convict or acquit this suspect. It is not knowing the details that counts, after all if a *****barred word***** reaches for an empty pocket and gets nothing, it doesn't mean he didn't steal or did anything wrong. The prima facie from this case is clear and bare. He made calls, he succeeded in getting his friend to the lady's house. Thanks goodness it he didn't succeed or another woman was not killed, we are tired of misogynists killing us. If I may ask, if someone pulls a gun without bullet on you and does not succeed in killing, does it mean you can charge the person with an attempted murder. Get lost and study your cases well. There are abundant online legal resources like LEXIS OR WESTLAW if you want to upgrade yourself. The power is in everyone's hand to help stop domestic abuse and violence. People these days are airheads. They want to enjoy things they have not toiled for. Don't insult other people for some one's evil intentions. If you give this boy a job, he will rather take a bribe from customers and live large.

Name: Tamim Abubakar

How can 'Mallam' be a proprietress of a school? The name Mallam albeit corrupt is assigned to a male. The write would have done good and wider sense to the writing if he/she had used 'Spritualist'. We all see such posters in towns from people who called themselves Mallams and Pastors. As far as Islam is concerned Mallam means a teacher and nothing else. All those people who parade engage in that activities are engaging in things that are contrary to Islam.
